Let's look at an overview:

First, the tabs on the top left of the screen.

<div><div></div><div></div><div></div></div>							
Summary   Debits   Credits   Adjustments   Patient Payments   Transfers   All Data							

- **Summary** - This tab will show you a high-level view of your debits, credits, adjustments, and patient payments. It is also where you can customize the report to meet your business needs.
- **Debits** - This tab will show you all of your charges/debits that match the parameters you set.
- **Credits** - This tab will show you all the insurance payments that match your set parameters.
- **Adjustments** - This tab will show you any insurance and/or patient adjustments posted that match your set parameters.
- **Patient Payments** - This tab will show any patient payments posted that match your set parameters.
- **Transfers** - This tab will show any transferred patient payments.
- **All Data** - This tab will show all data.

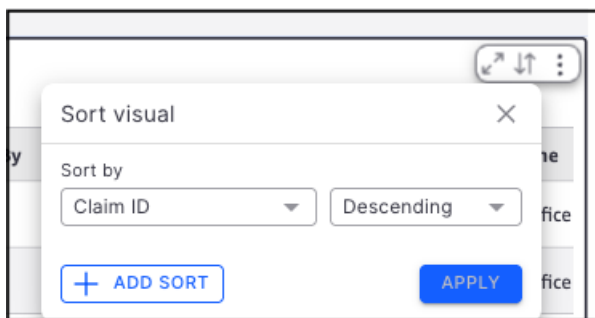

Within each tab, you will find several options to drill down into your financial data to a more granular level.

Examples of controls available include the following. Each option may not be available if it does not apply to the tab you are viewing.

- Date
- Debits Date Type
- Credits and Adjustments Date Type
- Patient Payments Date Type
- Patient
- Provider
- Office
- Exam Room
- Insurance
- Procedure Code
- Adjustment Code
- Payment Profile
- Code Category
- Include Future Appts
- Patient Flags

Once you have set your parameters, the report will populate automatically.

You can use the diagonal arrows to maximize the view, and the up/down arrow on the right side to sort the information in numerous ways. Only CPT/HCPCS/Custom codes with actual charges will appear on your report.

You can also export the report to CSV or Excel by pressing the 3 vertical dots. The report will be generated and available on your device.
