Let's look at an overview:

First, the tabs on the top left of the screen.

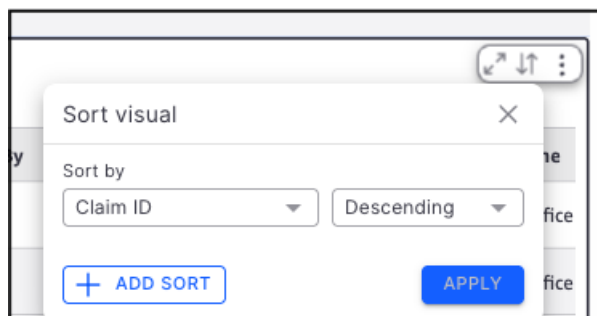

- **Summary** - This tab will show you a high-level view of your debits, credits, adjustments, and patient payments. It is also where you can customize the report to meet your business needs.
- **Debits** - This tab will show you all of your charges/debits that match the parameters you set.
- **Credits** - This tab will show you all the insurance payments that match your set parameters.
- **Adjustments** - This tab will show you any insurance and/or patient adjustments posted that match your set parameters.
- **Patient Payments** - This tab will show any patient payments posted that match your set parameters.
- **All Data** - This tab will show all data.

Within each tab, you will find several options to drill down into your financial data to a more granular level.

Examples of controls available include the following. Each option may not be available if it does not apply to the tab you are viewing.

- Date
- Debit Date Type
- Credit Date Type
