 **Doctor's Report of MMI/Permanent Impairment** **C-4.3**

Use this form: 1. When rendering an opinion on MMI and/or permanent impairment; or 2. In response to a request by the Workers' Compensation Board to render a decision on MMI and/or permanent impairment.

Please answer all questions completely, attaching extra pages if necessary, and submit promptly to the Board, the insurance carrier and to the patient's attorney or licensed representative, if he/she has one; if not, send a copy to the patient. Failure to do so may delay the payment of necessary treatment, prevent the timely payment of wage loss benefits to the patient, create the necessity for testimony, and jeopardize your Board authorization.
