Updox & DrChrono, Single Sign On link

DrChrono users access Updox and sign in using their DrChrono credentials to authorize the integration.

Here is the link to sign in and use DrChrono Premium Features, powered by Updox - https://myupdox.com/ui/html/oauth2/drchrono.html

Each provider and staff member of the practice is required to sign in to use the integration. We recommend bookmarking the link for future use.
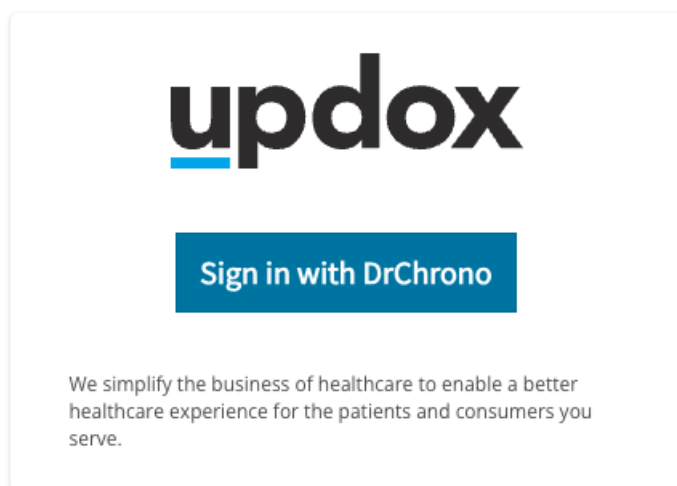

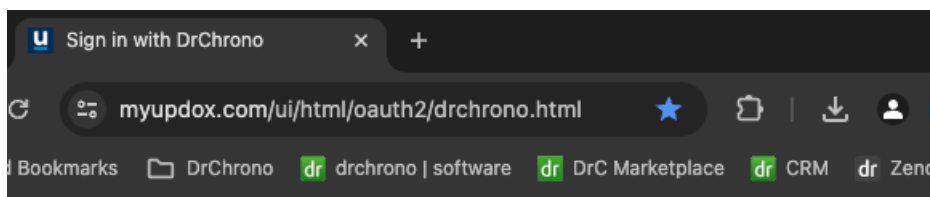

If you'd like more information on premium features available with Updox - visit this page to learn more https://www.drchrono.com/updox-premium-features/
