

Patient Statements with Optum

Last modified on 11/01/2024 3:50 pm EDT

On DrChrono's Apollo or Apollo Plus plan, you can send and manage your patient statements through the **Patient Statements** page.

1. To access your patient statements, hover over **Billing** on your DrChrono navigation bar and press **Patient Statements**.
2. Once you press **Patient Statements**, you'll be taken to the Patient Statements page.

The screenshot shows the 'Patient Statements' interface. At the top, there are tabs for 'Active Patients' and 'All Patients'. Below this are search filters: 'Patient', 'Patient Group', 'All', 'Patient Flags', 'Selected Flags', and 'Statement ID'. There are also buttons for 'Calculate All' and 'Search'. A section for 'Since last statement was printed' includes a dropdown set to 'All' and checkboxes for 'Include pt with zero bal or bal between' and 'Include note in statement'. Another section for 'Statement due date' has a 'Due Date' field and an 'Include a summary with balance for each provider' checkbox. A note states: 'Print PDF will show only claims with a patient balance but no insurance balance. Print Transaction will show all appointments whether the claim has a balance or not.' A yellow warning box says: 'Please note: printing, mailing or previewing any statement will also make that statement available to patients in onpatient. To disable this, uncheck "Send statements to onpatient" in Account Settings -> General.' Below this, it says '0 Patients Selected' and '1 - 6 OF 6'. A table follows with columns: Patient, Chart ID, Last Appt, Upcoming Appt, Last Stmt, Last Payment Amt, Last Payment Posted, # of Mailed Stmt, # since Last Payment, and Str.

3. To begin, select what type of patients you will be using: Active Patients or All Patients.

A close-up of the 'Patient Statements' tabs. The tabs are 'Patient Statements', 'Active Patients', and 'All Patients'. The 'All Patients' tab is highlighted with a green question mark icon.

4. Specify what result you are looking for with the following search/filter options.

A close-up of the search/filter options. It shows the 'Patient', 'Patient Group', 'All', 'Patient Flags', 'Include', 'Selected Flags', and 'Statement ID' fields. There are also buttons for 'Calculate All' and 'Search'. Below these are checkboxes for 'Include pt with zero bal or bal between' and 'Include note in statement'.

- **Patient:** The patient's name. Fill out this field if you are looking for a specific patient.
- **Patient Group:** Search for patients that fall within a certain patient group (Patients > Patient Groups)
- **Patient Flags:** Search for patients that have a certain patient flag (Patients > Patient Flags)
- **Include/Exclude:** For the flag field, you can choose to include/exclude to include/exclude results with certain patient flags.
- **Statement ID:** If you know the statement ID of the statement you are searching for, you may enter that here.
- **Last Statement Printed:** The last time a statement was issued to the customer. Your options for search are as follows:

- 30+ Days
 - 60+ Days
 - 90+ Days
 - 6+ Months
 - 1+ Year
- **Include Patient with Zero Balance:** Include patients who have paid off their balance.
 - **Balance Range:** Search for a certain balance range.

Below the search options, you have the statement modifiers and actions.

--------------------	---------------------------------------	----------------------------------	---------------------------	----------------------------------	---

- **Statement Due Date:** Insert a due date for your patient on the statement.
- **Include Note in Statement:** Insert a note on the statement.
- **Include a Summary with Balance for Each Provider:** Add a balance breakdown for each provider.

If you need to **update the phone number** listed to call if the patient has billing questions, please reach out to [support](#) and we'll be happy to assist.

- To view your changes or to preview the statement before printing them, select **Preview** to the right of your patient in the results.

Once you select **Preview**, you'll be presented with your patient statement in the form of a PDF.

The difference with the new statement with Optum is that there is a number on the left side, just above the patient's name and address. This number is an internal Optum ID number and is not useful in any way regarding your practice, your patient, or the amount due.

If you would like to print your statements or have DrChrono send your statements to Optum for printing and

mailing for you, first select the patients you would like to send statements to, then select Print PDF or Mail Statements in the Actions menu.

- If you select **Mail Statement**, Optum will mail your statements for you at the cost of **\$0.78** per statement.
- Likewise, you can **print/mail transactions** and produce an itemized statement or a CSV file for each patient that can then be handed to or mailed to a patient.

Patient statements can also be automatically sent to your patient's OnPatient account. If you would like to enable that feature, follow the guide found [here](#).

For Apollo Plus plans, please speak to your Billing and/or Account Manager to discuss workflow for patient statements under your plan.
