Seeing claims that are set to transmit to the clearinghouse

09/13/2024 12:57 pm EDT

You can easily identify which claims are ready to transmit to the clearinghouse in the Live Claims Feed.

1. Simply select **Other** under Claim Status
2. Select **Other** under Billing Status
3. Click **Update Filter**

The claims set to be transmitted to the clearinghouse on the next file run will be shown.
