

# Seeing claims that are set to transmit to the clearinghouse

Last modified on 11/22/2024 10:49 am EST

You can easily identify which claims are ready to transmit to the clearinghouse in the Live Claims Feed.

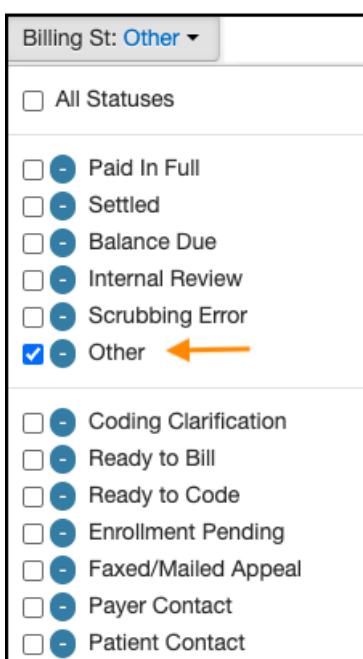

1. Select **Other** under Claim Status
2. Select **Other** under Billing Status
3. Press **Update Filter**

The claims set to be transmitted to the clearinghouse on the next file run will be shown.
