Release Notes for DrChrono Web 2023-12-21

09/17/2024 11:15 pm EDT

What's new

Clinical

Summary	Description	Help Center Article
EHI Export Tool	There have been recent updates to the EHI Export Tool, which includes both content and supporting documentation updates (see the highlights below). Content Highlights • Appointments.CSV - Removed claim specific fields and added in more appointment specific fields. • Claims.CSV - Refined fields to be more claim specific; also fixed an issue where the CSV files were being exported with blank files. • Clinical Notes Exported Documents - Now a PDF instead of the HMTL which was not fully rendering the complete note. • Added in the ID field to the offices.csv; practice_group.csv; demographics.csv and doctors.csv files Documentation Highlights • Field Level Documentation - Switched to an excel spreadsheet to allow customers easier navigation of the EHI Export file contents and field level descriptions. • A new FAQ has been added. • Updated the Reference Guide / Glossary for better organization of the export files.
