

Immunizations Registry - Vaccination Information Statement

07/08/2024 7:18 pm EDT

Previously, the date recorded for the VIS (Vaccination Information Statement) is today or the day the VIS was signed which is based on the date/time of the computer if done electronically. Now users can select another date in the past. However, a user is not be allowed to select a date in the future.

To view

1. Open a patient's chart.
2. Click on the "Immunizations" tab on the left side menu.
3. Click on the "Step 2: Review and Sign" sub tab.
4. Click on the "Sign Consent Form" button.

Patient Vaccination Consent & Signature

My signature below signifies that I have read and received information about the diseases and vaccines listed below. I understand the benefits and risks of the vaccines cited, and ask that the vaccine(s) listed below be given to me or to the person named for whom I am authorized to make this request.

[I Consent](#)

- Users will be able to view current/up to date VIS for any vaccine.
- For combination vaccines, users will see a separate VIS for each shot.
- The Step 2: Review & Sign screen will show a hyperlink that when clicked will redirect the user to the correlating VIS PDF from the CDC on a different tab.

Step 1: Select Vaccines

Step 2: Review and Sign

Step 3: Record Vaccinations

Vaccine Information Statements

Please distribute the Vaccine Information Statement (VIS) for each of the following vaccines and have the patient/legal guardian(s) review them:
