New POS Code

The Centers for Medicare and Medicaid Services (CMS) has created a new place of service code 27 to use when services are provided in a non-permanent location, effective October 1, 2023.

If you provide services to patients where the location of the services would fit this new POS code, please refer to [this article](#) to set up a new office location with the new code.

27	Outreach Site/ Street	A non-permanent location on the street or found environment, not described by any other POS code, where health professionals provide preventive, screening, diagnostic, and/or treatment services to unsheltered homeless individuals. (Effective October 1, 2023)
