

Setting your Exam Room Calendar Increments

07/08/2024 7:19 pm EDT

With the exam room calendar increments, you can adjust the minute increments that appear on your calendar.

In the example below, the increments are set at 10 minutes. If we wanted to schedule an appointment between 8:00 and 9:00, the increments would be

- 8:00
- 8:10
- 8:20
- 8:30
- 8:40
- 8:50

To set the increments, go to **Account > Provider Settings** and select the **General** tab.

Select the dropdown next to Exam Room Calendar Increments. You can select from 5 to 60 minutes depending on what type of appointments best fit your office schedule.

Account Settings
