

# IIS Publicity Profile - Immunization

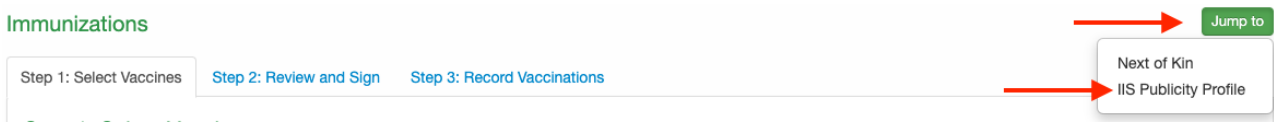

07/08/2024 7:19 pm EDT

The following fields have been added to the IIS Publicity Profile located within the Immunization tab of the patient's chart.

1. ID Number
2. Mother's Maiden Name
3. Multiple Birth Indicator
4. Birth Order

## How to reach the Immunization Profile screen

1. Open a patient's chart
2. Click on the "Immunizations" tab on the left side menu
3. Click on the "Jump to" button on the right side of the screen
4. Select "IIS Publicity Profile"

The screenshot shows the 'Immunizations' section with three steps: 'Step 1: Select Vaccines', 'Step 2: Review and Sign', and 'Step 3: Record Vaccinations'. A 'Jump to' button is located on the right side of the screen. A dropdown menu is open, showing 'Next of Kin' and 'IIS Publicity Profile'. Red arrows point from the 'Jump to' button to the dropdown menu and from the 'IIS Publicity Profile' option to the 'IIS Publicity Profile' text in the instructions.
