

How do I activate my OnPatient account?

Last modified on 02/06/2025 1:13 pm EST

Your provider's office will send you an invitation via email address or by letter.

Follow the instructions below to activate your account

1. Click on the **Sign Up Now** button to begin (the email invitation will display the date that the invitation will expire).

Hello Peter Django,

Good day and hope you are doing well! I am inviting you to connect with me through my patient portal onpatient. onpatient is a platform that allows you to view your medical records, schedule appointments, fill out forms before coming into the office, and securely communicate with your doctors.
