

Video: Working with multiple primary insurances

09/16/2024 3:13 pm EDT

Do you treat patients who have multiple primary insurances? Perhaps medical insurance and an auto accident carrier? DrChrono has built a way to quickly and easily toggle between the two to submit your bill to the correct payer to avoid payment delays.

Check out the video below to see how to put this feature to use in your practice.

Here is a link to an [article](#) that will walk you through the process of working with multiple primary insurance.
