

OnPatient Mobile App Overview and Settings

Last modified on 06/25/2026 12:15 pm EDT

The main profile page gives quick access for patients to health data entered by the provider including:

- Medications
- Medical Conditions
- Allergies
- Lab Results
- Immunizations

Patients can easily access this data by selecting the relevant section.

Patients can view statements and payment history under **Billing**.

- Statements >
- Payment History >

James Smith
225 Schilling Circle
Hunt Valley, MD 21031

04/07/2021 \$950.00 HAJE000001

For questions about billing, call (443) 555-5555. To pay by credit card, call (443) 555-5555.
You can also pay by credit card online at onpatient.com - If you don't have access, call (443) 555-5555 to request an account.

Please detach and return top portion with your payment.

The **Your Doctors** menu under Account shows the providers the patient is connected to through OnPatient.

Tap **Manage Pin Code** (under Account) to set up a PIN code to log in to the OnPatient app. Once the pin code is set up the patient can enable Touch ID/Face ID if available on their device.

Selecting **Change Password** (under Account) allows the patient to create a new password for their account.
