

# Practice Chat on the iPad

09/12/2024 12:41 pm EDT

On the [EHR/EMR app for the iPad](#), Practice Chat can be accessed within the **More** tab.

To begin, tap on **More** in your navigation bar.

The screenshot displays the EHR/EMR app interface on an iPad. The top navigation bar is blue and contains 'Filters (1)', 'Today', a refresh icon, a search icon, and a plus icon. Below the navigation bar is a search bar labeled 'Search Appointment'. The main content area shows a patient profile for Laurie Sample (Female | 31 | 12/08/1990) with a 'Start Visit' button. The profile includes appointment details for 08/01/2022 at 08:10AM, 30 minutes. The appointment details are organized into sections: Appointment profile (None Selected), Office (Office 1), Provider (Dr. James Smith), Supervising Provider (None Selected), Appointment Status (None Selected), Exam Room (Exam 1), and Billing Type (ICD-10). Below this is the Billing Details section, showing Payment profile (Insurance), Co-Pay (\$20.00), Billing Status (None Selected), and Total Payment (\$0.00). The Patient Flags section shows one flag: Fall Risk. The CDS Matches section shows one match: 1. Adult Immunization Schedule Age: 27-49. The Vitals section is also visible. The bottom navigation bar contains icons for Dashboard, EHR, Messages (4), Tasks (5), and More. A black arrow points to the More icon.

Next, select **Practice Chat**.
