

How do I change my appointment status?

07/08/2024 7:34 pm EDT

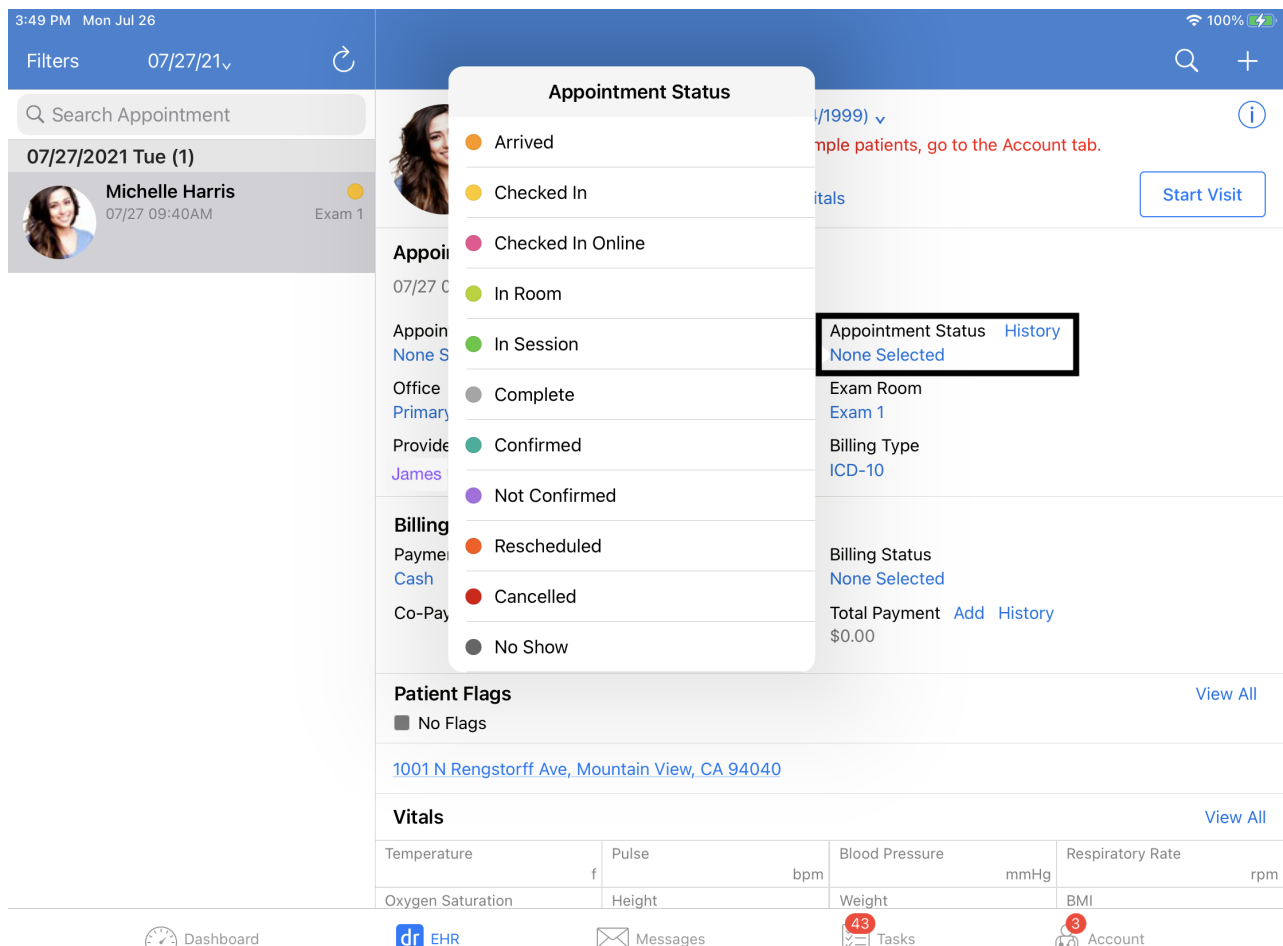

Mobile app: Changing your appointment's status in your EHR

With the [DrChrono EHR app](#), your appointment status can be changed and will be reflected in your [DrChrono web version](#) calendar.

To change your appointment's status, first, select the **EHR** option on your device's navigation bar.

On the EHR page, select the appointment. Within your appointment, tap on the **Appointment Status** option to reveal a menu that allows you to select your appointment status.

The status will be updated. Repeat for any other appointment status changes.
