

Rescheduling an Appointment Through OnPatient

07/08/2024 7:34 pm EDT

If your patients are using OnPatient, they have the option to reschedule their upcoming appointments if necessary. After they have completed the Check-In process, they will have the option on the following screen to reschedule their appointment.

To begin, your patient can reach his/her appointments by the **Appointments** tab on their OnPatient navigation bar.

On the appointments page, your patient can view the list of upcoming appointments and select an appointment to view its details. Have your patient select the appointment he/she would like to reschedule.
