

Exporting Your Audit Logs

07/08/2024 7:34 pm EDT

Your audit logs are a powerful way to track all the patient activity within your account. It can be used to track your patients' changes, view staff activity, and troubleshoot problems.

The logs can be exported to a CSV file that can be viewed in most spreadsheet software programs such as Microsoft Excel. To access your audit log, mouse over the **Clinical** tab on your navigation bar and select **Audit Log**.

After selecting Audit Log, you'll be presented with the 'Audit Log Report' page. Here you'll be able to view all of the logs regarding your patients.
