

What do I do if my fax isn't working?

Last modified on 03/06/2026 10:09 pm EST

Create a [support case](#) if you need help with DrChrono faxing.

Include the following details in your case. Providing this information will help speed up the troubleshooting process.

- Can you receive faxes?
 - Can you send faxes?
 - Are all fax lines affected or just one DrChrono fax number? If it's only one fax number, provide the affected fax number.
-
