Last modified on 02/21/2025 10:15 am EST

All of your ERAs and EOBs are only a few clicks away. Follow the below instructions:

1. Navigate to **Billing > Remittance Reports**.

2. You have four (4) options to search:

- a. Trace/check #
- b. Patient's name
- c. Insurance name
- d. Received date

3. You only need to enter one of those search criteria to look up your ERAs and EOBs. If no search criteria are entered, your ERAs and EOBs will be listed in the order they are received/uploaded, with the most recent showing on top.

4. Press **Update Filters** to search with the information you have just entered. This will provide you the list of ERAs and EOBs that meet the parameters you set or leave them blank and you will see all of your ERAs and EOBs.
