

Text-to-Pay: Initiating a text link from within the patient's chart

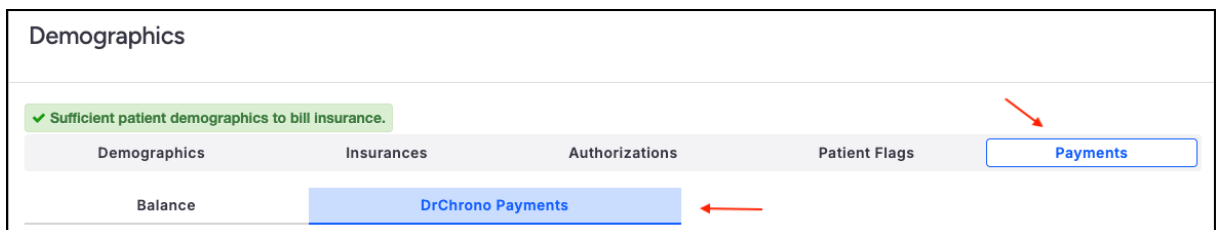

Last modified on 05/20/2025 2:13 pm EDT

As with calendar view, you can also initiate a payment text to a patient from within their chart.

1. Navigate to the patient's chart and select **Demographics**

2. Navigate to **Payments > DrChrono Payments** tab

3. Select the **Text to Pay** button and it will allow you to create a payment link to send to a patient.
