

Text-to-Pay: Initiating a text link from within the patient's chart

Last modified on 02/26/2025 11:10 am EST

As with calendar view, you can also initiate a payment text to a patient from within their chart.

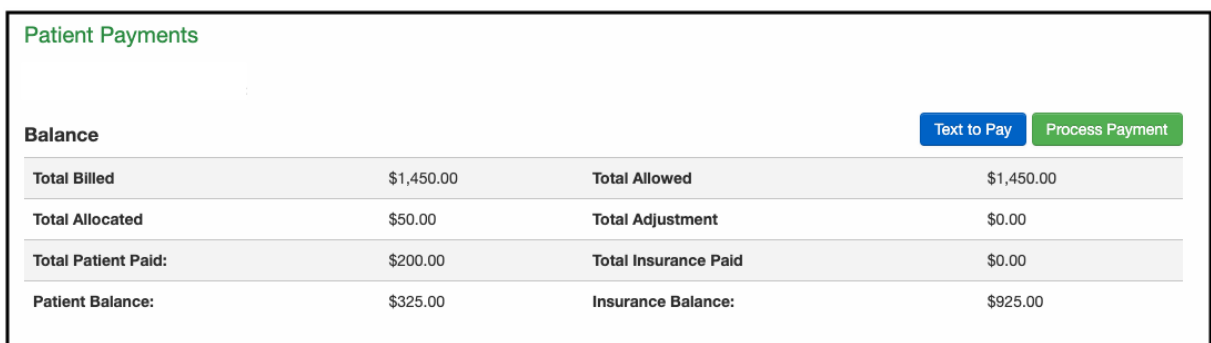

1. Navigate to the patient's chart and select **Demographics**

2. Select the DrChrono Payments tab

3. Select the **Text to Pay** button and it will allow you to create a payment link to send to a patient.

A screenshot of a 'Patient Payments' summary table. The title 'Patient Payments' is in green. Below the title is a 'Balance' section with two buttons: 'Text to Pay' (blue) and 'Process Payment' (green). The table contains the following data:

Balance			
Total Billed	\$1,450.00	Total Allowed	\$1,450.00
Total Allocated	\$50.00	Total Adjustment	\$0.00
Total Patient Paid:	\$200.00	Total Insurance Paid	\$0.00
Patient Balance:	\$325.00	Insurance Balance:	\$925.00
