First, the tabs on the top left of the screen.

- **Summary** - This tab will show you a high-level view of your debits, credits, adjustments, and patient payments. It is also where you can customize the report to meet your business needs.
- **Debits** - This tab will show you all of your charges/debits that match the parameters you set.
- **Credits** - This tab will show you all the insurance payments that match your set parameters.
- **Adjustments** - This tab will show you any insurance and/or patient adjustments posted that match your set parameters.
- **Patient Payments** - This tab will show any patient payments posted that match your set parameters.
- **Transfers** - This tab will show any payments that have been transferred.
- **All Data** - This tab will show all data.

Many controls are available to customize the report to meet your business needs.

Controls include:

- **Date** - This is the beginning and ending dates for your report.
- **Debits date Type** - This allows you to select Posted Date or Date of Service for your report.
- **Credits and Adjustment Date Type** - This allows you to select your report's date type: Check Date, Deposit Date, or Posted Date.
- **Patient Payments Date Type** - Allows you to search by Payment or Posted Date.
- **Patient** - Allows you to search for a specific patient.
- **Provider** - Allows you to search by a specific provider.
- **Office** - Allows you to search by a specific office location.
- **Exam Room** - Allows you to search by a specific exam room within your office.
- **Insurance** - Allows you to search for a specific insurance.
- **Procedure Code** - Allows you to search for a specific procedure code.
- **Adjustment Code** - Allows you to search for a specific adjustment code.
- **Payment Profile** - Allows you to search by a single, multiple, or all payment profiles.
- **Code Category** - Allows you to search by a single, multiple, or all custom codes.
- **Include Future Appointments** - Allows you to include or exclude future appointment dates.
- **Patient Flags** - Allows you to search by a single, multiple, or all custom codes.

**Data Freshness Date** - This date and time stamp will show you the date and time the data was retrieved from our servers. There should typically be a 15-minute lag between entering a payment/adjustment/credit and viewing it on the report.

Once you select your parameters, you will see your report onscreen on the summary tab:
