

Email Verification

07/08/2024 7:38 pm EDT

Upon activating your DrChrono account for the first time, you will be prompted to verify the email address you used to sign up before you can access your account. The screen will appear as follows:

Sales Line: (844) 569-8628 | [Get a Quote](#) | [COVID-19 Updates](#) | [Log In](#)

[Solutions](#) | [Platform](#) | [Resources](#) | [Company](#) | [Telehealth](#)

[Try Now](#)

Thank you for joining DrChrono

Your confirmation email has been sent.

Please click on the **"Verify My Email"** link in the message to verify your email address. Account creation will take about 10 minutes, please wait as we set up your account.

Open your email client and there will be a verification email from DrChrono. This is where you will verify your email address by clicking on the **Verify My Email** button.

If you need the verification email resent, go back to the DrChrono login page, use your credentials to log in, and click the **Click here** link to generate a new email verification link.

Account not activated.

The account you are attempting to access has not been activated yet.

A confirmation email was sent to *on...@gmail.com*. Please click the activation link in the email before attempting to log in again.
