

eProvider Solutions- Will my payer ids change?

09/11/2024 9:53 am EDT

The short answer is, that they can. There are several national payers, such as Aetna, Cigna, Humana, and United Healthcare that keep the same payer ID number across all clearinghouses.

The best source of information is the eProvider Solutions payer list which can be found following this link:
[EProvider Solutions Payer List](#)

Once on the link, you can download either a PDF or MS Excel listing.
