

OnPatient Mobile App Overview and Settings

07/08/2024 7:38 pm EDT

The main profile page gives quick access to health data entered by your provider and includes:

- Medications
- Medical Conditions
- Allergies
- Lab Results
- Immunizations

You can easily access this data by selecting the relevant section.

You can view statements and payment history under **Billing**. For any questions regarding statements or payments, please contact your provider.

- Statements >
- Payment History >

James Smith
225 Schilling Circle
Hunt Valley, MD 21031

04/07/2021 \$950.00 HAJE000001

For questions about billing, call (443) 555-5555. To pay by credit card, call (443) 555-5555.
You can also pay by credit card online at onpatient.com - If you don't have access, call (443) 555-5555 to request an account.

Please detach and return top portion with your payment.

The **Your Doctors** menu shows the providers you are connected to through OnPatient.

- Tap **Manage Pin Code** to set up a PIN code to log in to the OnPatient app. Once the pin code is set up you can enable Touch ID/Face ID if available on your device.

Selecting **Change Password** allows the patient to create a new password for their account.
