

How do I see the appointments I've scheduled?

07/08/2024 7:38 pm EDT

To access the appointments you've previously scheduled with your healthcare provider, click on the **Appointments** tab as pictured below. Click on the appointment to view more information.

The screenshot shows the onpatient website interface. At the top, there is a navigation bar with the onpatient logo and several tabs: Appointments (highlighted with a red underline), Doctors, Billing, Messages, Documents, and Health Profile. On the right side of the navigation bar, the user's name "Peter Django" is displayed with a small profile icon. Below the navigation bar, the main content area is titled "Appointments". On the right side of this section, there are two teal buttons: "Book Video Visit" and "Book Appointment". Below the title, there is a section for "UPCOMING APPOINTMENT" which contains a card for an appointment on "June 16, 2021 at 1:00 PM" with a "dr" icon and a "Check in" button. Below that is a section for "PAST APPOINTMENTS" which contains a card for an appointment on "June 9, 2021 at 1:20 PM" with a "dr" icon.

If you have a recurring appointment, for example, a weekly appointment, you will see the appointments for the next 60 days with future appointments in the series appearing as the calendar progresses.

If you have a standalone appointment, for example, a follow-up, you will see it 180 days before the appointment.

Below we can see the series of recurring appointments for the next 60 days and a one-time appointment 180 days away.
