

# Adding Insurance Info for Durable Medical Equipment

Last modified on 05/20/2025 1:32 pm EDT

If your patient's insurance requires Durable Medical Equipment claims to be billed to a separate payer, you can easily enter that information into the patient's chart.

Under the Insurance section of the patient's chart, there is a tab for **Durable Med Eqpt** where the details, as well as any applicable notes such as a claims adjustor's name and contact info if applicable, can be added.
