Durable Medical Equipment

If your patient's insurance requires Durable Medical Equipment claims to be billed to a separate payer, you can easily enter that information into the patient's chart.

Under the Insurance section of the patient's chart, there is a tab for **Durable Med Eqpt** where the details, as well as any applicable notes such as a claims adjustor name and contact info if applicable, can be added.

The screenshot displays a patient's insurance management interface. At the top, there are navigation tabs: Important, Demographics, Insurances, Authorizations, Smoking Status, Flags, and Balance. A green notification bar indicates "Sufficient patient demographics to bill insurance." Below this, a row of tabs includes Primary Ins, Secondary Ins, Tertiary Ins, Primary Hosp, Secondary Hosp, Auto Accident, Worker's Comp, and Durable Med Eqpt. A red arrow points to the Durable Med Eqpt tab. The main content area is titled "Durable Medical Equipment (DME) Manage Alternative Insurances & History" and contains the following fields:

- Insurance Company:
- Carrier Payer ID:
- Insurance ID Number:
- Insurance group name: *if available
- Insurance group number: *if available
- Insurance plan name: *if available
- Insurance plan type: *if available
- Insurance Notes:

A "Save Demographics" button is located at the bottom of the form.
