

# Adding Insurance Info for Durable Medical Equipment

Last modified on 10/28/2024 3:23 pm EDT

If your patient's insurance requires Durable Medical Equipment claims to be billed to a separate payer, you can easily enter that information into the patient's chart.

Under the Insurance section of the patient's chart, there is a tab for **Durable Med Eqpt** where the details, as well as any applicable notes such as a claims adjustor name and contact info if applicable, can be added.

The screenshot displays a patient chart interface with a navigation bar at the top containing tabs: Important, Demographics, Insurances, Authorizations, Smoking Status, Flags, Balance, and DrChrono Payments. Below this is a sub-navigation bar with tabs: Primary Ins, Secondary Ins, Tertiary Ins, Primary Hospital, Secondary Hospital, Auto Accident, Worker's Comp, and Durable Med Eqpt. A red arrow points to the 'Durable Med Eqpt' tab. The main content area is titled 'Durable Medical Equipment (DME) Manage Alternative Insurances & History'. It contains the following fields:

- Insurance Company: A dropdown menu with a downward arrow and a note: *\*contact support if you can't find an insurance company.*
- Carrier Payer ID: A text input field.
- Insurance ID Number: A text input field.
- Insurance group name: A text input field with a note: *\*if available*
- Insurance group number: A text input field with a note: *\*if available*
- Insurance plan name: A text input field with a note: *\*if available*
- Insurance plan type: A dropdown menu with a downward arrow and a note: *\*if available*
- Insurance Notes: A large text area for notes.

At the bottom left of the form is a blue button labeled 'Save Demographics'.
