Adding an Email Address to your Superbill

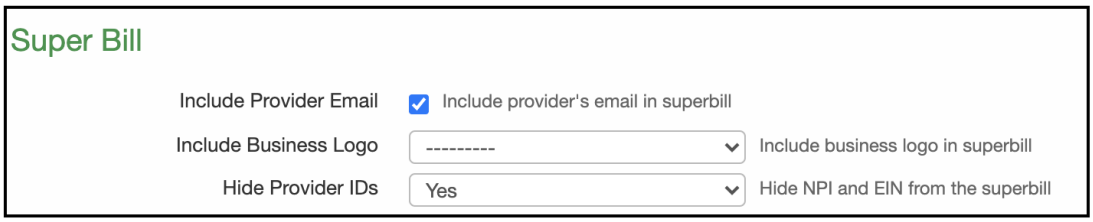

Last modified on 10/26/2026 3:13 pm EDT

In DrChrono, you can have an email address appear on your super bill. You can easily add or remove the address in your Account Settings.

1. Navigate to **Account** > **Provider Settings.**
2. Select the **Medical Billing** tab.

3. Scroll down to the **Super Bill** section and check or uncheck the box next to **Include Provider Email**.

4. Scroll down and select **Update Entire Profile** to save your settings.

By default, the email that appears on the super bill is the email registered to the provider. Please contact our support team to update the email if you would like a different email to appear.
