

Insurance Credit Card Payments: How do I process it?

Last modified on 03/19/2026 2:55 pm EDT

If you receive a credit card (aka Virtual Credit Card) from a health insurance payer for reimbursement for services rendered to your patients, DrChrono has an easy way to post the payment and attach the associated ERA.

*** Please note, that this feature will only work if you utilize DrChrono Payments as your payment processor ***

1. Navigate to **Billing > Insurance Credit Card Payments**
2. The top of the screen offers several different search options if you need to search for a specific payer/payment.

3. To add a new insurance credit card payment, press **+ Add Payment**. A screen will open where you can enter all of the details.
 - a. **Insurance** - the payer who has sent the credit card payment
 - b. **Payment Amount** - the total amount of the credit card payment received
 - c. **Identifier** -this could be a remit number, reference number, or any other number listed on the Virtual Credit Card to identify the payment.
 - d. **Cardholder Name** - name on the physical virtual card received
 - e. **Credit Card** - the 16-digit number listed on the credit card received
 - f. **Expiration** - the 2-digit month and 2-digit year
 - g. **Security Code** - a 3-digit code listed on the code. It might be listed as a CVV code
 - h. **Zip/Postal Code** - the zip code of the practice

6. The ERA file or the scanned EOB by pressing + **Attach ERA/EOB**

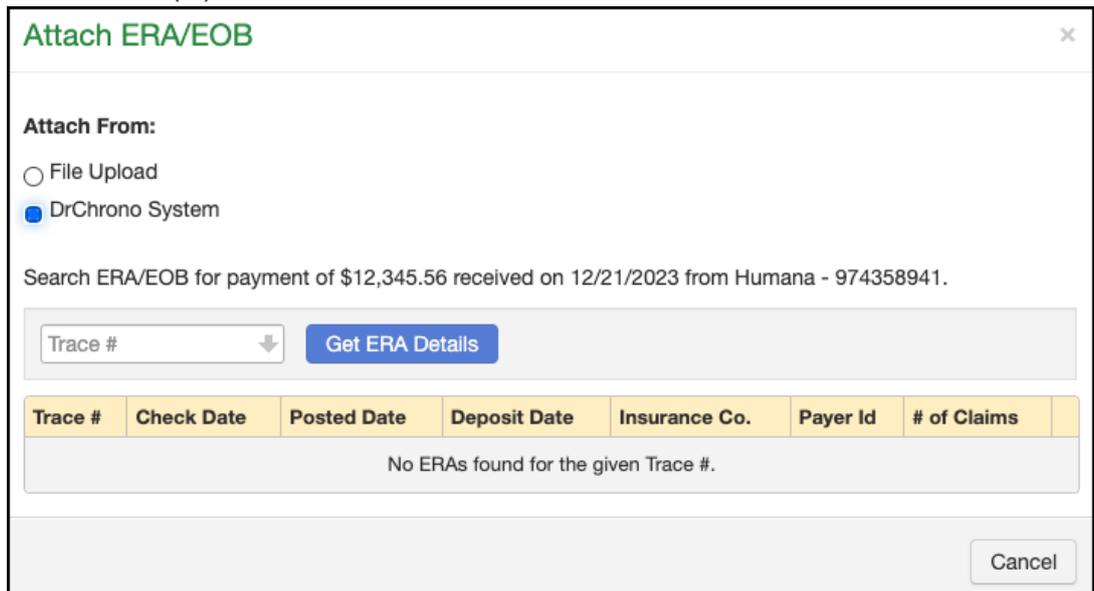

a. You have two selections to retrieve the file to attach:

i. **File Upload** - If you've scanned the file to your computer, you can select File Upload to locate and attach the ERA/EOB.

The screenshot shows a dialog box titled "Attach ERA/EOB" with a close button (X) in the top right corner. Under the heading "Attach From:", there are two radio button options: "File Upload" (which is selected) and "DrChrono System". Below the options, the text reads: "Upload an ERA/EOB file for payment of \$12,345.56 received on 12/21/2023 from Humana - 974358941." There is a blue button with a file icon and the text "Select File". At the bottom right of the dialog box is a "Cancel" button.

ii. **DrChrono System** - If the ERA file is already in the DrChrono system (under Remittance Reports), select that option and a window will open that will allow you to enter the Trace # that will attach the ERA to the payment.

The screenshot shows a dialog box titled "Attach ERA/EOB" with a close button (X) in the top right corner. Under the heading "Attach From:", there are two radio button options: "File Upload" and "DrChrono System" (which is selected). Below the options, the text reads: "Search ERA/EOB for payment of \$12,345.56 received on 12/21/2023 from Humana - 974358941." There is a text input field labeled "Trace #" with a dropdown arrow and a blue button labeled "Get ERA Details". Below this is a table with the following columns: "Trace #", "Check Date", "Posted Date", "Deposit Date", "Insurance Co.", "Payer Id", and "# of Claims". The table content shows "No ERAs found for the given Trace #." At the bottom right of the dialog box is a "Cancel" button.
