

How do I review messages I've sent?

07/08/2024 7:42 pm EDT

To review messages you've sent via OnPatient to your healthcare provider, click the **Messages** tab of the OnPatient portal window to access messaging. Next, click the **Sent** area as pictured below. Click on a message to view it.

The screenshot shows the OnPatient web interface. At the top, there is a navigation bar with the following items: 'onpatient' logo, 'Appointments', 'Doctors', 'Billing', 'Messages' (highlighted with a red underline and an arrow pointing to it), 'Documents' (with a red notification badge), and 'Health Profile'. The user's name 'Jenny' is displayed on the right. Below the navigation bar, the 'Messaging' section is visible, featuring a 'Send Message' button. On the left side, there is a sidebar with folders: 'Inbox', 'Starred', 'Sent' (highlighted with a red vertical bar and an arrow pointing to it), and 'Archived'. The main content area displays a table of messages:
