

Exporting Custom Procedure Codes

Last modified on 11/01/2024 11:19 am EDT

If you would like to export your custom procedure codes to an MS Excel file, you can do so by following the instructions below.

1. Navigate to **Billing > Custom Procedures**
2. Select **Export to File** button at the top right of the screen

The file will then be downloaded to your computer as a .CSV file to open in Excel or any other spreadsheet software. It will be available in your message center.
