

eProvider Solutions- How do I cancel an enrollment request?

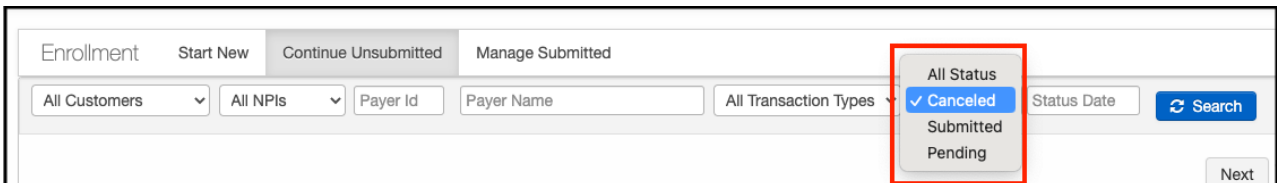

09/11/2024 1:47 pm EDT

If you've entered an enrollment request with ePS and need to cancel it, you can from the **Continue Unsubmitted** tab. Simply click on the **Cancel** button under Actions and it will be removed from your list.

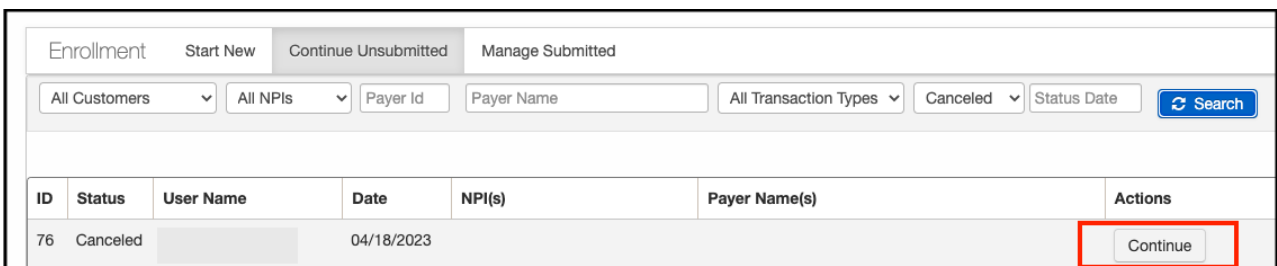

ID	Status	User Name	Date	NPI(s)	Payer Name(s)	Actions
88	Pending		04/18/2023			<input type="button" value="Cancel"/> <input type="button" value="Continue"/>
89	Pending		04/18/2023	5286621722		<input type="button" value="Cancel"/> <input type="button" value="Continue"/>

If you would like to review the enrollment requests that have been canceled on your account, you can see them by using the status filter. Just select **Canceled** and click **Search**. Any canceled requests will be displayed.

ID	Status	User Name	Date	NPI(s)	Payer Name(s)	Actions
76	Canceled		04/18/2023			<input type="button" value="Continue"/>

There is an option to resurrect the request by clicking on **Continue**, but it will bring you back to the beginning to submit the request from the beginning.
