## Accessing Your Health Profile through OnPatient

Last modified on 06/11/2025 12:52 pm EDT

You can easily view, save, or print your clinical summary through your OnPatient portal.

## Viewing your clinical summary directly on the website

- 1. Log in to your OnPatient account.
- 2. Select Health Profile.

## 3. On the left-hand side of the page select Complete Profile.
