

Balance tab under Patient Payments

07/08/2024 7:48 pm EDT

The **Balance** tab provides greater ability to narrow down your search results, and export capabilities.

You can navigate to this screen by clicking on Billing > Patient Payments > Balance tab.

You can search for patients with unallocated amounts and appointment balances between a range that you select. Once you have identified the patients, you can export the information into a report by clicking on **Export to File**. Once generated, the report will be available in your message center.
