

Editing ICD-10, CPT, or HCPCS Code Descriptions

08/22/2024 10:13 am EDT

Code Custom Descriptions

You can add custom descriptions to ICD-10, CPT, and HCPCS codes listed in DrChrono to use a more common language or preferred terms for your office by utilizing a [Billing Pick List](#).

The picklist is made up of codes added to your fee schedule. Custom descriptions can be added to codes in your [fee schedule](#).

1. Navigate to **Billing > Fee Schedule**.

2. Once on the main page, you can select **CPT & HCPCS** or **ICD-10** to navigate to only those code types. You can also click **+Add New** to add a code type or click on the pencil icon to edit an existing code in your fee schedule.

The screenshot shows the 'Insurance Payer Fee Schedule' interface. At the top, there are tabs for 'CPT & HCPCS', 'ICD-9', and 'ICD-10', with 'ICD-10' selected. Below the tabs are filters for 'CPT/HCPCS/Custom Procedure', 'Payer ID', 'Plan name', and 'Picklist Category', along with an 'Update' button. On the left, there is an 'Export to File' button and a '+ Add New' button. On the right, it shows '1 - 50 OF 71' with a right arrow. The main table has columns: Procedure, Provider, Type, Office, Insurance Payer, Price, Allowed, Modifiers, NDC Code, NDC Units, Payer ID, and Picklist. The table contains four rows of procedure data, each with a pencil icon for editing and a red 'X' icon for deleting.

Procedure	Provider	Type	Office	Insurance Payer	Price	Allowed	Modifiers	NDC Code	NDC Units	Payer ID	Picklist		
21085: PREPARE FACE/ORAL PROSTHESIS		CPT		Default Price	\$750.00						Uncommon		
3210F: GRP A STREP TEST PERFORMED		CPT		Default Price	\$75.00	\$50.00					Strep Diagnosis		
29893: SCOPE PLANTAR FASCIOTOMY		CPT	Primary Office	Default Price	\$225.00	\$150.00					Plantar Faciitis		
97750: PHYSICAL PERFORMANCE TEST		CPT	Primary Office	Default Price	\$150.00	\$100.00					Physical		

3. Once in the code, you can enter your description in the **Custom Description** field and click **Update** when finished.

Code type ICD-10 ▼

Code W13.4XXA ↓

Office ▼

Custom description Defenestration

Custom description of code.

Picklist category

Optional: Category to organize the code into.

4. Once the description is added, you will see the custom description instead of the system-produced description.

Before Custom Description

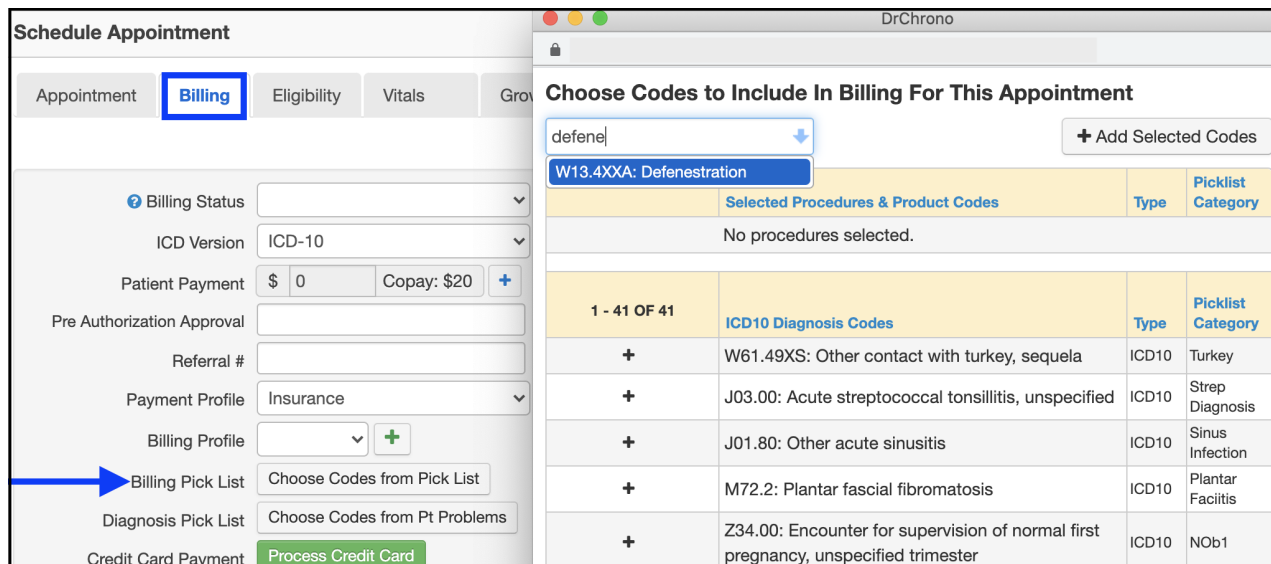

M99.05: Segmental and somatic dysfunction of pelvic region
M99.12: Subluxation complex (vertebral) of thoracic region
V97.33XA: Sucked into jet engine, initial encounter
W00.0XXA: Fall on same level due to ice and snow, initial encounter
W13.4XXA: Fall from, out of or through window, initial encounter
W53.21XA: Bitten by squirrel, initial encounter

After Custom Description

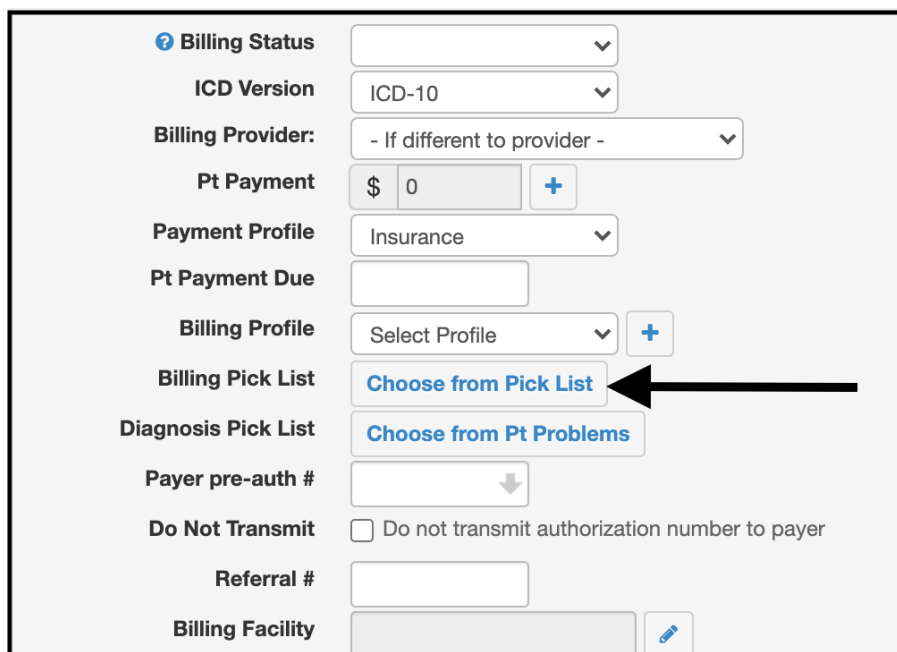

M99.05: Segmental and somatic dysfunction of pelvic region
M99.12: Subluxation complex (vertebral) of thoracic region
V97.33XA: Sucked into jet engine, initial encounter
W00.0XXA: Fall on same level due to ice and snow, initial encounter
W13.4XXA: Defenestration
W53.21XA: Bitten by squirrel, initial encounter

5. The **Billing Pick List** can be accessed on DrChrono's EHR Web and EHR App.

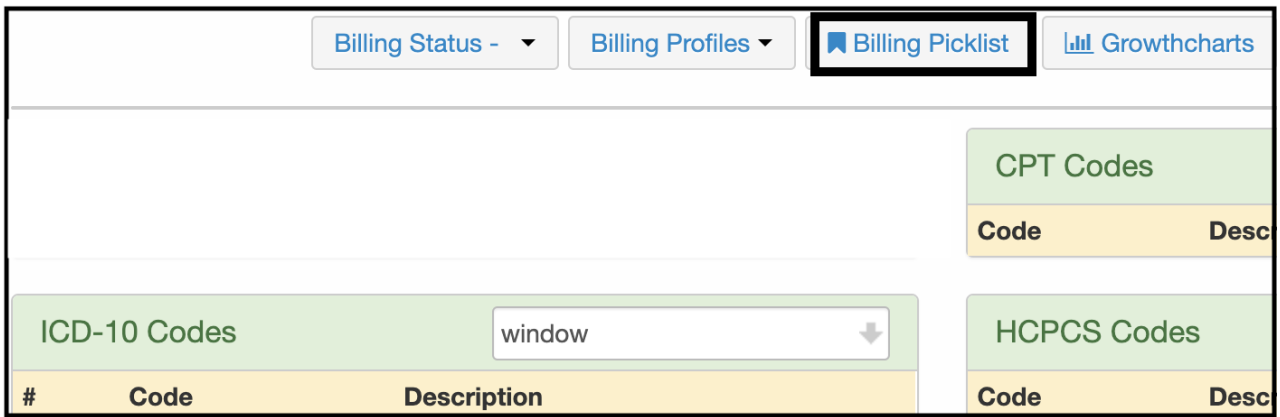

In the appointment window, click on the **Billing** tab and click **Choose Codes from Pick List**. You can search for your code with the custom description or scroll and click on the (+) next to the code or codes you need to visit.

The **Billing Pick List** is also accessible in the Live Claims Feed.

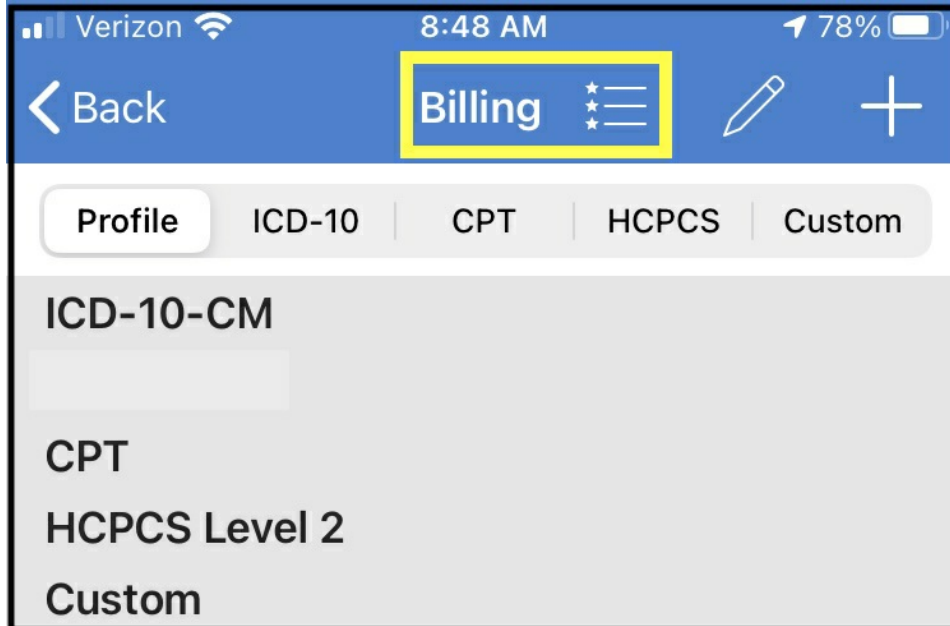

You can also find the **Billing Pick List** in the clinical note.

Accessing on iPhone and iPad

1. From the iPhone tap on the **Billing** icon on the top of the screen.

1. From the iPad tap on the hamburger icon on the right of the screen to access the Billing Pick List.
