When on DrChrono's Apollo Plus plan you have the added bonus of working with our expert team of nationally certified including, CPC/CPC-H, and CRCP billing team. They will be able to take care of all your billing needs, freeing you up to focus on the most important aspect of being a doctor, your patients.

Both **Apollo** and **Apollo Plus** plans benefit from:

1. Eliminate the need for paper/Go green - Appointment schedulers integrated into the #1 rated EHR on the market, help to reduce any unwanted paperwork and labor hours.
- 2.) All-in-one - electronic claims, electronic patient statements, patient payments, and enrollments.
- 3.) With just a click away you have multiple dashboards through DrChrono's reporting to find out all your billing statuses, with a dynamic, user-friendly interface.

For our **Apollo Plus** customers, additionally, you will receive complete revenue cycle management.

\* Multi-specialty - Be it any of the specialties, with thorough industry knowledge, DrChrono coders are here to support.

\* Proactive denials management - The team consists of certified billers and an expert panel to reduce denials and trend it to effectively produce a faster reimbursement turnaround time.\* Active listeners and organized communicators - An important aspect of all is communication. Regular, scheduled, and frequent meetings help you to know the progress of your claims and allow physicians to focus on their patients, not worrying about managing the revenue aspect of the business.

After choosing the **Apollo Plus** plan, DrChrono is ready to tackle all of your billing needs.
