

Adding Implantable Device Information to a Patient's Chart

09/05/2024 12:30 pm EDT

You can add an implantable device to a patient's chart under the **Implantable Devices** section. Click **Add Implantable Device**.

The screenshot shows a vertical navigation menu on the left with various chart sections. The 'Implantable Devices' section at the bottom is highlighted in green, with a black arrow pointing to it from the right. To the right of the menu, the 'Implantable Devices' section is displayed with the text 'No Implantable Devices.' and a legend for device status: Active (green square), Inactive (red square), and Archived (grey square). Below the legend is a blue button labeled 'Add Implantable Device'.
