Adding Implantable Device Information to a Patient's Chart

Last modified on 06/11/2025 1:31 pm EDT

Adding an Implantable Device to a Patient's Chart

Follow the steps below to add and manage an implantable device in a patient's chart.

Step 1: Navigate to the Implantable Devices Section

- Open the patient's chart.
- Scroll to the Implantable Devices section.
- Click Add Implantable Device.

Step 2: Enter Device Information

• In the UDI field, enter the device's Unique Device Identifier (UDI) in GS1 format.

| Create Implantable Device | |
|--|--|
| Unique Device Identifiers: | Create Implantable Device |
| (01)10884521062856(11)141231(17)150707(10)A213B1(21) | 2014-12-31 |
| 1234 | Lot or Batch: |
