

How to submit Bulk Claims to a payer

Last modified on 12/18/2024 1:44 pm EST

If you have multiple claims needing to be sent to the same payer, you can save yourself some time and keystrokes by submitting them altogether.

Note: Bulk submitting claims is for the *initial* submission of claims. It cannot be used to re-submit claims.

1. Hover over the **Billing** Tab and select Live Claims Feed
2. Check the boxes corresponding to the appointments that need to be submitted to the insurance company. You can identify these claims by sorting on a specific billing status, date of service, payer ID, or office.
