

# eProvider Solutions Enrollment Module Activity Log

Last modified on 03/19/2026 12:10 pm EDT

As you submit and track your EDI/ERA enrollments, you will now be able to see the date/time/user/action all within the EDI portal under the Activity Log.

The screenshot shows the 'Enrollment' section of the eProvider Solutions portal. At the top, there are navigation links: 'Enrollment', 'Start New', 'Continue Unsubmitted', and 'Manage Submitted'. Below these, there are two sub-links: 'Enrollment' and 'Activity Log', with a red arrow pointing to 'Activity Log'. A search bar is located below the sub-links, containing two date input fields: '08/21/2023' and '08/28/2023', and a blue 'Search' button with a refresh icon. Below the search bar is a table with three columns: 'Datetime', 'User', and 'Status Change'. The table contains two rows of activity data.

Datetime	User	Status Change
08/21/2023 9:21:56 AM		Status changed from "Active" to "In Progress"
08/22/2023 12:42:34 PM		Status changed from "In Progress" to "Active"
