

My account is on a Read-Only. What information do I have access to?

Last modified on 04/07/2026 8:49 am EDT

My account is on a Read-Only plan.

What information do I have access to?

Please contact your account manager about pricing for the Read-Only plan.

- 24/7 DrChrono login access with full account access to view all patient records, medical data, billing information, and otherwise
 - The ability to export data at your convenience
 - You will not be able to create any new appointments (on the web or via the API) or send out any new claims to existing appointments
 - Your Fax line is limited to outbound faxes only
 - SMS reminders, email reminders, and Phone communication will be disabled
 - Limited access to billing reports. Full access to system reports under the reports menu
 - Clinical notes can not be changed once on the Read-Only plan, but you can download them.
 - Patients will lose access to their OnPatient account
 - Export capabilities via the API are still available
 - Ancillary license
-
