DrChrono makes it easy to add the discharge hour to your patient's claim. It can be done right within the patient's encounter.

1. Navigate to **Billing > Live Claims Feed > Inside the patient's appointment > Right column > Info tab**

The image shows a screenshot of the 'Info' tab in a software interface for managing UB04 claims. The interface has a top navigation bar with tabs: 'Info', 'Cond & Occ', 'Value Code', 'Insurance', and 'Attending'. Below the tabs, there is a list of fields for data entry, each with a label and a corresponding input field or dropdown menu. The 'Discharge Hour' field is highlighted with a red rectangular box. The fields and their associated UB04 boxes are as follows:
