

# How to identify claims that were billed but not paid

Last modified on 11/08/2024 3:09 pm EST

1. Hover your cursor over the **Billing** tab and select **Live Claims Feed** from the drop-down menu.
2. Press the drop-down arrow aligned with **Claim St** and select the following statuses:
  - In Process at Clearinghouse
  - In Process at Payer
  - Payer Acknowledged
  - Coordination of Benefits
  - Rejected
  - ERA Denied
  - Missing Information

3. After making the selections, press **Update Filter**. You
  4. To export this report, select **Export file**. The report will be generated in your message center.
  6. Once generated, you can open the file in MS Excel. From MS Excel, you have various options including seeing the number and/or dollar value of claims that have been billed to the payer but not yet paid.
