Will Rescheduled Appointments Show up on the Live Claims Feed?

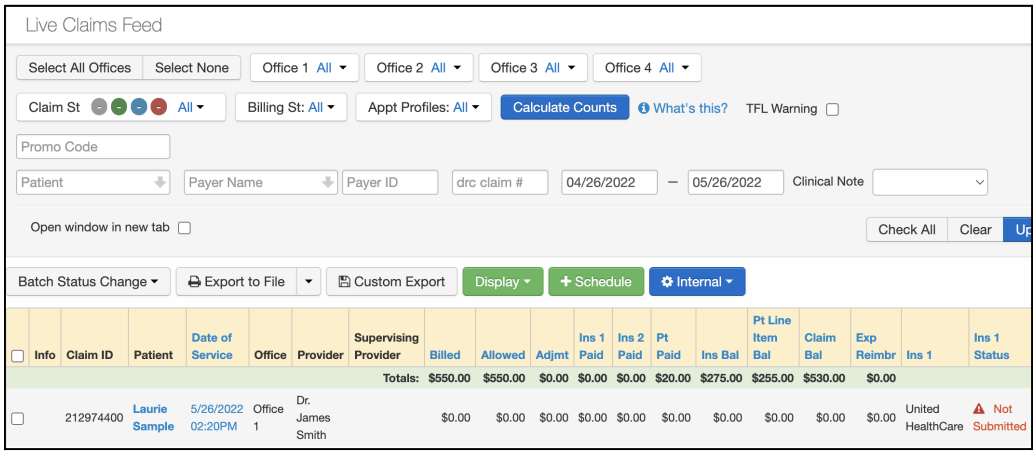

Last modified on 09/28/2026 2:14 pm EDT

When an appointment's status is set to **Rescheduled** or **Canceled**, it will not show up in the Live Claims Feed.

However, if you manually edit/reschedule the original appointment for a later date without setting the appointment status to **Rescheduled,** it will show up on the Live Claims Feed for that specific date.
