

Patient Payment Plans: Canceling an existing payment plan

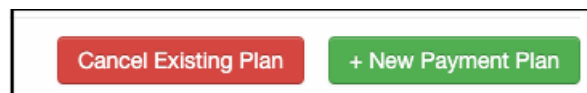

Last modified on 10/11/2024 10:42 am EDT

If you need to cancel an existing payment plan, you can easily do so by following the instructions below:

1. Navigate to the patient's chart > DrChrono Payments > Patient Payment Plan header

2. Through the button on the right-hand side, you can cancel the existing payment plan.

Note: Once you click the "Cancel Existing Plan", the plan will immediately be removed from the patient's account.
