

# Where can I locate my fax number?

07/08/2024 7:56 pm EDT

You can always open up the Message Center by clicking the envelope icon (

) on the top right of the toolbar, and your fax number will be shown in the top right of the screen.

The screenshot shows the DrChrono Message Center interface. At the top right, a toolbar contains a search bar and a notification icon with a red badge showing '13' and '37'. An arrow points to a box displaying the fax number '+1 (801)'. Below the toolbar, the 'Incoming Messages' section is active, showing a list of messages. The first message is a PDF titled 'Generated PDF: patient\_statements\_12\_07\_20.pdf' from 'drchrono'. The second and third messages are 'Incoming Fax' from 'Sample Doctor, MD (3018502018)'. The table below shows the details of these messages.
